

Application No. 10/789,455  
Supplemental Amendment dated January 26, 2005  
Reply to Office Action of October 18, 2004

PATENT

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings of claims in the application.

**Listing of Claims:**

1. (Currently Amended) A method for ordering a plurality of presentation instruments in a single order, comprising:

receiving at a host computer system a request from a purchaser to order the plurality of presentation instruments, wherein a presentation instrument comprises a physical device that may be used to settle a financial transaction;

sending one or more files that are executable by a computer of the purchaser to produce one or more corresponding display screens programmed to collect purchase information relating to the plurality of presentation instruments;

receiving at the host computer system the purchase information from the purchaser, wherein the purchase information comprises a recipient information file; and

delivering the presentation instruments in accordance with the purchase information.

2. (Original) The method of claim 1, wherein the presentation instruments comprise a selection from the group consisting of credit cards, gift cards, smart cards, stored value cards, and debit cards.

3. (Original) The method of claim 1, wherein delivering the presentation instruments in accordance with the purchase information comprises delivering the presentation instruments to each of a plurality of recipients.

PATENT

4. (Original) The method of claim 1, wherein delivering the presentation instruments in accordance with the purchase information comprises delivering the presentation instruments to the purchaser.

5. (Original) The method of claim 1, wherein delivering the presentation instruments in accordance with the purchase information comprises delivering the presentation instruments to a designee of the purchaser.

6. (Original) The method of claim 1, further comprising:  
receiving at the host computer system a request from a user to view usage information relating to a presentation instrument; and  
sending a file to a computer of the user, wherein the file comprises the usage information.

7. (Original) The method of claim 1, wherein the recipient information file comprises a selection from the group consisting of a spread sheet, a text file, and a data file.

8. (Original) The method of claim 1, wherein the purchase information comprises a message to be embossed on each card.

9. (Original) The method of claim 1, purchase information comprises a recipient name to be embossed on each card.

10. (Currently Amended) A method for ordering a plurality of presentation instruments in a single order, comprising:

receiving at a host computer system a request from a purchaser to order the plurality of presentation instruments, wherein the presentation instruments comprise non-personalized cards that may be used to settle financial transactions;

sending one or more files that are executable by a computer of the purchaser to produce one or more corresponding display screens programmed to collect purchase information relating to the plurality of presentation instruments;
